

BIBLE

color-coding key

The goal of color-coding is to slow down when reading the Bible and allow our hearts to focus on the Word. The color choices are yours.

Here are some ideas for assigning colors to themes in the Bible:

- Blessings/Angels/Praise/ Miracles
- Wisdom & Instructions/Teaching
- Parables/Jesus/Holy Spirit/God/Gospel
- Prophecy/Numbers • Personal Verses
- Sin/Death/Hypocrisy/Temptation
- Joy • Anxiety/Stress • Love/Kindness
- Redemption • People • Repeated Words
- Family • Growth • Happiness • Life

have faith
STUDIO.com

“Now faith is the assurance of things hoped for, the conviction of things not seen.”

Hebrews 11:1
